Data disclosure request – All rights reserved – Restena Foundation - January 2022

About

Please use this form in the following cases:

- require personal data of domain name holder (name, address);
- require personal data of administrative contact and/or technical contact (name, address, e-mail).

Declaration

By filing present request, the undersigned declares:

- that the information contained in this request is complete and accurate, and that present disclosure request is not submitted abusively;
- not to use the requested personal data for any other purposes than those specified in this request form (and/or its enclosed additional documents).

And accepts that:

- in the event of a claim, the undersigned is definitively responsible for any damages and/or court costs resulting from the processing of present request. The undersigned indemnifies the .lu registry and holds the latter harmless in this regard;
- The .lu registry reserves the right to refuse the processing of the request if it can not identify the requestor with certainty.
