3 The Purpose and Legal Basis for Data Processing

3.1 Performance of an agreement

The Restena .lu service is processing your data in order to enter into an agreement to register and manage a domain name under the top-level domain .lu and to ensure the due and proper performance of the underlying contractual provisions.

Performance of an agreement may only be performed while taking into account and processing data of parties involved.

Purpose of the processing pursuant to point (b) of the Article 6(1) of the General Data Protection Regulation.

Privacy Notice – All rights reserved – Restena Foundation – January 2022

3.2 Legal obligation

The Restena .lu service can process your data if it is necessary to comply with legal obligations and/or within the framework of legal proceedings to which the Restena .lu service might be subject to, e.g., if the Restena .lu service receives a notification to disclose or transmit your personal data to jurisdictional or governmental authorities.

Purpose of the processing pursuant to point (c) of the Article 6(1) of the General Data Protection Regulation.

3.3 Legitimate interests

The Restena .lu service can process your data where it is strictly necessary for the purpose of safeguarding the legitimate interests pursued by the Restena .lu service or by a third party for preventing fraud, cyber-attacks, network & information security reasons and for ensuring your data integrity as domain holder in relation with domain name registration, provided that your interests or fundamental rights and freedoms are not overriding, taking into consideration the reasonable expectations based on your relationship with the data controller.

Purpose of the processing pursuant to point (f) of the Article 6(1) of the General Data Protection Regulation.

4 4. Categories of Recipients of Personal Data

44.1. The Restena .lu service has the right to disclose personal data:

4.1.1 if you request such information to be published and the Restena .lu service can identify the requestor.

4.1.2 if, in cases provided by law, a national jurisdictional, governmental or other authority empowered for this purpose requests personal data and the request is made pursuant to enactments of the Grand-Duchy of Luxembourg.

4.1.3 if, in case an interested party provides the Restena .lu service in writing with information of a current or potential problem arising in connection with the use and/or proper functioning of the Internet and the Domain Name System (DNS) in order to deal with and/or to look up the status of a domain name.

4.2. Within the performance of its contractual obligations, as domain name holder you authorize the Restena .lu service to transmit Personal Data to employees, agents or other third party service provider within or outside your country in order to provide services and for the purposes indicated above. Employees, agents and other third party service providers which have access to Personal Data are required by the Restena .lu service to ensure compliance with all applicable data protection provisions. Any person authorized by the Restena .lu service to access Personal Data as defined in this Privacy Note will be made aware of the data protection implications.

4.3 In accordance with the request of the domain name holder and concerned persons, the Restena .lu service has specifically the right to disclose personal data:

- to the Registrar of the domain name holder's choice,
and
- to the identified concerned persons.

4.4. You have the right to request from the Restena .lu service information about recipients of your personal data, unless such information cannot be disclosed pursuant to legal provisions of the Grand Duchy of Luxembourg.

Privacy Notice – All rights reserved – Restena Foundation – January 2022

4.5. You have the right to be informed on whether or not your personal data are transferred to a third country or to an international organisation. In this context, you are entitled to be informed of the appropriate safeguards regarding the transfer pursuant to Article 46 of the GDPR.

5 Data security, access to Personal Data, Rectification and Data portability

5.1. The Restena .lu service protects Personal Data with appropriate physical, electronic and process-related security measures, such as firewalls, personal passwords, encoding and authentication technologies.

5.2. You can access your data and rectify them via your regular Registrar and/or in case Restena acts as your Registrar via the Restena's registrar website my.lu, at the Restena .lu service's offices, or by sending your request to our postal address:

Fondation Restena — Service .lu
2, avenue de l'Université,
4365 Esch-sur-Alzette,
Grand-Duché de Luxembourg.

5.3. You have the right to receive your data processed by the Restena .lu service in a machine-readable format.

6 Data Update, right to Object and Restriction of Processing

6.1. You are responsible for providing valid, actual and complete data at the moment of concluding the agreement, as well as during the entire period of the performance of the agreement. Valid, effective and complete data should be provided at any time to your Registrar.

6.2. In case of any changes, it is your right and under your responsibility to update your data without undue delay by informing your Registrar.

6.3. If the Restena .lu service discovers that your data are false, obsolete or incomplete, you will receive a request to correct the data. If no answer is received or the data are not updated within reasonable delay, and in any case within 30 days, the Restena .lu service has the right to terminate the domain name management agreement as laid out in Terms and Conditions.

6.4. If a domain name holder objects to the processing of personal data, the Restena .lu service will terminate the Agreement, as collecting personal data and its processing are necessary for the conclusion and performance of the domain name registration and management agreement.

6.5. Access to data is restricted. A request to forward any message to the holder as private person (including involved persons) must be filed in writing with the Restena .lu service. Such a request must be duly motivated and is subject to the Restena .lu service's approval. The Restena .lu service will consecutively pass on the request to the holder without establishing any direct contact with him.

7 Identification of authorized persons

7.1. In the interest of privacy and data protection, the Restena .lu service will ensure your identity before responding to any requests for transmission of messages to the holder (including involved persons) and reserves the right to request a copy of an identity document.

7.2. The Restena .lu service may refuse the request if it can not identify you with certainty or if it considers the request excessive or unfounded. You will be informed of the reasons for the refusal within one month from the receipt of the request. The Restena .lu service may also require the payment of reasonable fees in the case of unfounded or excessive requests, in particular because of their repetitive nature.

8 Erasure of Personal Data and Data Storage Limitations

8.1. Within 30 (thirty) days after the expiry or termination of the domain name management agreement, the Restena .lu service shall destroy or remove from the computer systems and files all personal data in the possession or under the control of the Restena .lu service as of the date of expiry or termination, subject to:

8.2. Personal Data that the Restena .lu service is legally required to keep after the termination or expiry of the domain name management agreement.

8.3. In case of Limitation the data can no longer be the subject of any processing.

9 Complaint Procedure

You have the right to file a complaint with the national supervisory authority (National Commission for Data Protection - CNPD) regarding a possible breach of personal data protection.

10 Change of Policy

The Restena .lu service reserves the right to modify this Privacy policy. The Restena .lu service shall notify the public of the new provisions at least 30 days before entry into force thereof, particularly through publication on its websites dns.lu and my.lu.
